### **About This Content**

Deriving their power from the sacred Dragon Egg, the order has no patience for the undisciplined and weak. A beacon of virtue and strength on the Third Plane of Existence, the Order wages an endless war against the forces of entropy and darkness and seeks permanent control of the Arena.

Team Bonus:

Blessed with moral purity, the Brotherhood of Order receives exceptional healing effects from their Monk and potions.

This add-on includes the Brotherhood Of Order deck and 9 Order avatars.
